オナガ

A black-headed shrike is perched on a thin, light-brown branch. The bird has a black cap, a white breast, and blue wings and tail. It is facing left. To the left of the bird is a thick tree trunk with reddish-brown, vertically fissured bark. The background is a soft-focus green and blue, suggesting a forest setting.

オナガの幼鳥

A photograph of two young birds perched on a thick, reddish-brown pine branch. The birds have white bodies, black heads, and blue wings. They are facing each other, with one bird slightly behind the other. The background is a soft-focus view of pine needles and branches against a bright blue sky. The text is located in the upper right quadrant of the image.
